Goodrich Petroleum Corp (GDP)
Oil & Gas - Deals and Alliances Profile
Company Snapshot

Company Overview

Goodrich Petroleum Corp (Goodrich) is an independent oil and gas company. It explores, develops and produces oil and natural gas from properties that include Tuscaloosa Marine Shale in Eastern Louisiana and Southwestern Mississippi, Haynesville Shale trend in north Louisiana and east Texas, and Eagle Ford Shale trend in South Texas. The company focuses on developing Haynesville Shale trend assets. Haynesville Shale Trend is one of the top natural gas plays in the US as it has infrastructure capacity, pipeline, and deliverability of gas to liquified natural gas export facilities and the gulf coast industrial complex. Goodrich is headquartered in Houston, Texas, the US.

Appendix

The data and analysis within this report is driven by GlobalData.

GlobalData gives you the key information to drive sales, investment and deal making activity in your business.

Our coverage includes 200,000 + reports on 185,000+ companies (including 150,000+ private) across 200+ countries and 29 industries. The key industries include Alternative Energy, Oil & Gas, Clean Technology, Technology and Telecommunication, Pharmaceutical and Healthcare, Power, Financial Services, Chemical and Metal & Mining.

Methodology

GlobalData company reports are based on a core set of research techniques which ensure the best possible level of quality and accuracy of data. The key sources used include:

- Company Websites
- Company Annual Reports
- SEC Filings
- Press Releases
- Proprietary Databases

Notes

- Financial information for the company is taken from the most recently published annual reports or SEC filings
- The financial and operational data reported for the company is as per the industry defined standards
- Currencies are converted at current rates, with average annual rates taken for historic conversions

Deals includes all announced deals from 2011 onwards, deal values are included wherever disclosed.
- Deals coverage includes oil & gas deals including upstream, midstream, downstream, oil & gas equipment & services
- Deals covered are financings of, partnerships with, acquisitions (including divestitures) of Oil & Gas companies

About GlobalData

GlobalData is one of the world’s leading providers of company operational data and strategic analysis, providing detailed information on tens of thousands of companies globally. Our highly qualified team of Analysts, Researchers, and Solution Consultants use proprietary data sources and various tools and techniques to gather, analyze and represent the latest and the most reliable information essential for businesses to sustain a competitive edge. Data is continuously updated and revised by large teams of research experts, so that it always reflects the latest events and information. With a large dedicated research and analysis capability, GlobalData employs rigorous primary and secondary research techniques in developing unique data sets and research material for this series and its other reports. GlobalData offers comprehensive geographic coverage across world’s most important sectors, focusing particularly on energy and healthcare.
